

# HELIX

Look Book

## HELIX CURVED STAIR LIFT

*A custom built curved stair lift that is as unique as its owner. Harmar offers the fastest turnaround times in the industry and delivers on quality, form and function. The Helix has a narrow profile and mounts closer to the wall; hugging the stairway with tighter bends and flowing radius curves. With its slimmer sleeker design, ergonomic seating and premium upholstery you'll get the comfort you expect. The ride is ultra smooth and whisper quiet.*

*The Helix—it's not just a curved stair lift with style—it's a path to independence for customers to remain in their homes, enjoy their families, and be engaged in their communities.*

*A Harmar stair lift—it's a way of life.*

## ABOUT HARMAR

*Harmar is more than a leading manufacturer of wheelchair lifts for automobiles, stair lifts and platform lifts for residential/commercial use. We are an organization that is inspired by those who are mobility challenged and is driven to create products that allow people to go where they want, when they want, how they want.*

*Founded in 1998, Harmar has history of growth by evolving our product lines to enrich the lives of our customers. As our customer's needs grow, so do we—with meaningful innovation and design. We are committed to our vision of helping people of all ages reach the quality of life that will allow them to enjoy their homes and family.*

*Harmar products and services are designed to make life easier at home and away.*
